Ibrahim El Khalil Fegrouche

JUNIOR FRONT-END DEVELOPER & GRAPHIC DESIGNER (FREELANCER)

ALL ABOUT ME

I am a Self-taught Front-End Developer and Graphic Designer, with a bit of experience. focused on design and user experience, always learning more and more and contributing innovative solutions in Web Development.

WORK EXPERIENCE

2023 - PRESENT

GRAPHIC DESIGNER | FREELANCER

- I designed promotional event materials such as Banners, Flyers & Business Cards, etc, utilizing Adobe Photoshop and Illustrator.

2019 - 2020

JUNIOR FRONT-END DEVELOPER | CYBERX TECH

- Developed and Translated designs into good-quality code using JavaScript frameworks, HTML5, and CSS3, which improved user satisfaction by 10%

2010 - 2011

IT CYBER COFFEE MANAGER | KENITRA

- I Managed daily operations of a 13+ computer cyber café, serving 40+ customers with internet, printing, gaming, and support etc, while maintaining and updating computers. and resolving technical issues.

VOLUNTEER WORK

2018 - 2019

VOLUNTEER TEACHER

Teaching Digital Literacy in My Neighborhood.

- I used to volunteer monthly to teach neighbors (ages 30 to 50) Basic computer skills, navigate new software, and promote digital literacy.
- Provided hands-on instruction to help individuals become more comfortable with new technology.
